Come join **Adults Loving Life** for a special event during the United States Naval Academy Graduation Commencement week on board the "**Annapolitan II**" for our special **Blue Angles Cruise**. Exclusively reserved for Gunther Tours guests, our Blue Angles Cruise will take us out on the Annapolis Harbor for the best seats in town to enjoy the **Blue Angles Air Show**. There is no better way to see these elite Navy pilots perform! The Blue Angels is the United States Navy's flight demonstration squadron. The Blue Angels team was formed in 1946, making it the second oldest formal flying aerobatic team in the world, after the French Patrouille de France formed in 1931. The Blue Angels' six demonstration pilots fly the f/a-18 Hornet in more than 70 shows at 34 locations throughout the United States each year, where they still employ many of the practices and techniques used in the original 1946 aerial displays. Before our cruise enjoy a delicious **buffet lunch** at the **United States Naval Officers Club** located at the **United States Naval Academy**. Do not miss out on this opportunity to enjoy a spectacular and memorable Blue Angles Cruise on the water at Annapolis Harbor!
